

Free College Admission Test Prep through I Have A Plan Iowa®

Iowa College Aid provides free ACT, SAT and GRE test prep to help students strengthen relevant skills, learn test-taking strategies, and gain more confidence in their abilities. Students can access the test prep program in the College Planning section of I Have A Plan Iowa®, a comprehensive web-based portal that assists Iowans as they explore education and career options.

The free program covers current subject areas and question types included in each of the standardized college admission tests. User-friendly tutorials encourage students by providing hints and suggestions for incorrect responses as well as detailed explanations for correct answers. Each tutorial, which takes 30 to 90 minutes to complete, can be interrupted at any point and resumed at a later time. I Have A Plan Iowa® Test Prep integrates content review and test-taking strategies providing the practice students need to achieve their target scores.
